

# C.I. Disposable Coveralls And Shoecover

**CERTIFIED INCINERABLE**

## FRH/1412CI-FF Coverall

More comfortable than other disposable wet suits, this Certified Incinerable coverall is available in a variety of styles. The fabric is stronger and more resistant to punctures and tearing.

## FRH/1415YCI Shoe Cover

The waterproof CI-11 fabric is Certified Incinerable and easy to decontaminate. All CI-11 products are Quality Assured: the endothermic coating process allows it to maintain its waterproof durability after repeated launderings. This versatile fabric is available in 3 different weights.
